Presentation Piling & Civil Work

ALEIMARA

ALEIMARA Work Experience

1. Piling work
2. Earth Work
3. Civil Work
4. Steel Structure work
5. Mechanical work for gathering line 20" & 24" pipe lines.
6. Civil Work for gathering line 20" & 24" pipe lines.
7. Indian & other nationality manpower supply.
8. Local manpower supply.
9. Well pad civil & building work.
10. Painting and Insulation work.
11. Logistics support.
12. Steel Tanks manufacturing and installation.

Pile Work Experience

Ready Mix Supply

Conformation to standard requirements and the company's commitment to quality, exacting quality standards are applied in our projects.

Quality Concrete on Time

Excellence & Experience in Ready Mix Concrete

It is our tradition and commitment to provide the state of the art technology for our clients. Therefore, we have set up our ready mix plant in Dubai Investment Park – Jebel Ali.

2 nos. of fully computerized plants from B.H.S. Sonthofen, Germany, having a capacity of 240 m3 per hour.
Flaked Ice Plant with a capacity of 84 tonnes per day from KTI, Germany.
30 nos. of Mercedes Benz / Liebherr mobile concrete Mixers with a capacity of 9m3 each.
Fully equipped concrete testing Laboratory.
